

MAP A.5a Consumption and Production of Electricity

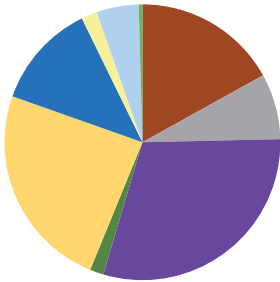

Electricity Production by Source

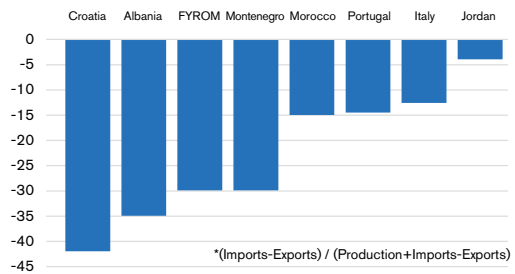

Electricity Production (GWh)

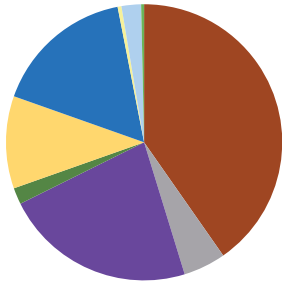

Mediterranean Countries

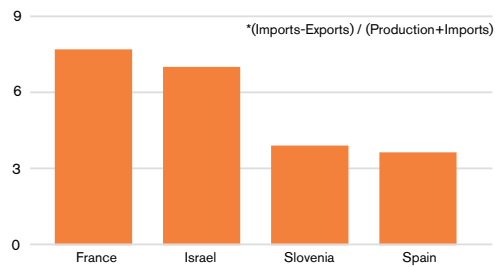

Imports* of Electricity (in %) (Net Importer Countries)

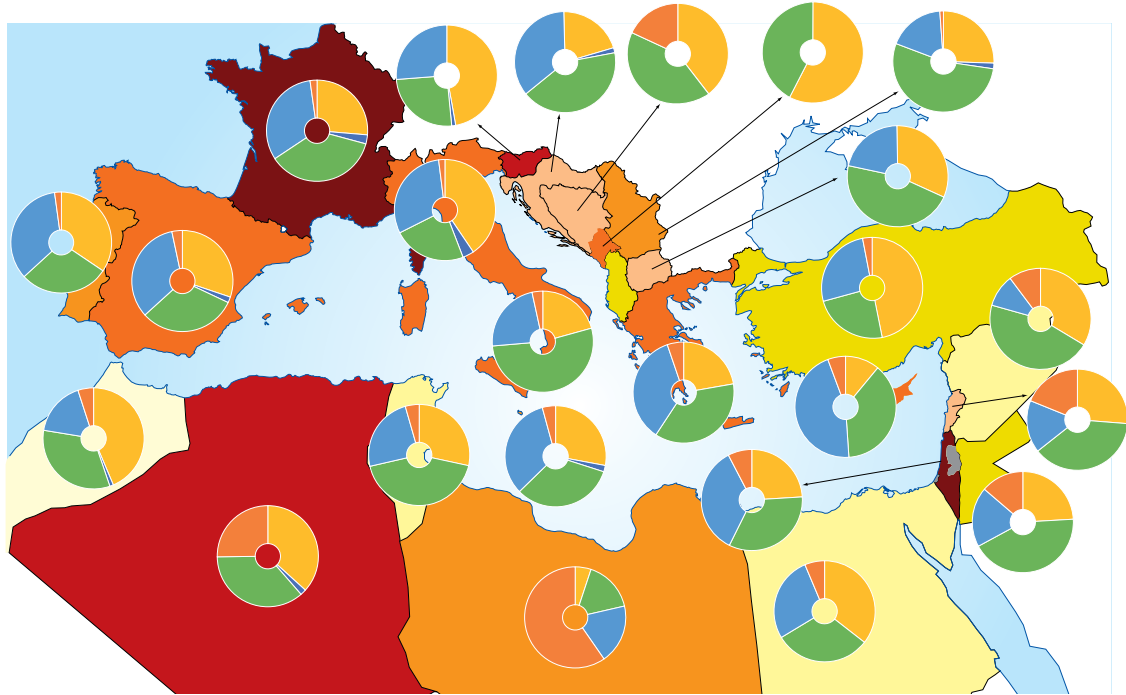

World

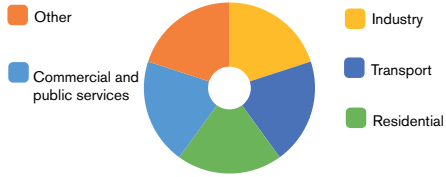

Exports* of Electricity (in %) (Net Exporter Countries)

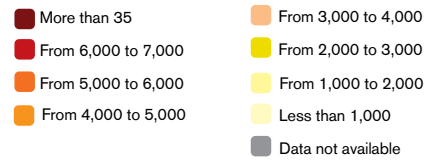

Own Production. Source: IEA.

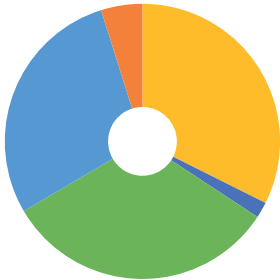

Electricity Consumption by Source

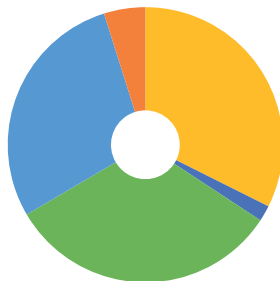

Electricity Consumption / Production (kWh per capita)

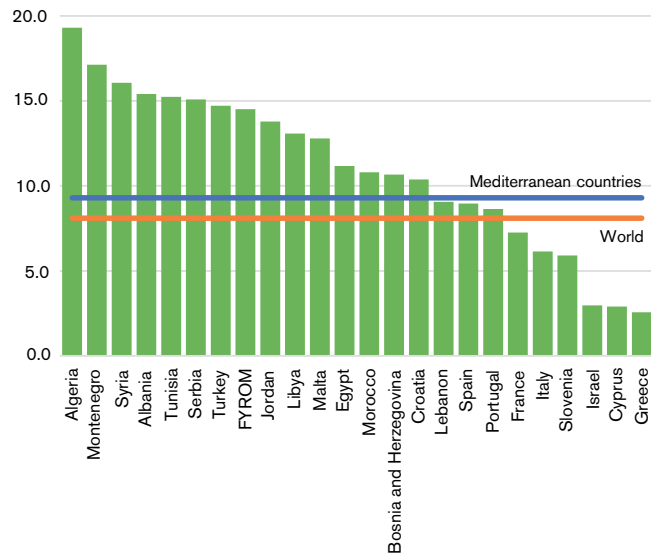

Mediterranean Countries

World

Losses in Electricity Transmission (Losses over Electricity Supply in %)

Own Production. Source: IEA.
