

MAP A.6 | Press Freedom in the Mediterranean (2006-2016)

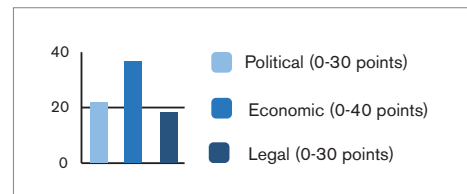

Freedom of Press Rating**

- (0-30) Free
- (31-60) Partially Free
- (61-100) Not Free

This index evaluates the rate of rights and freedom that the media enjoy in each country by following a detailed methodology and adding the points from the political, legal and economic environment sectors.

Legal environment: examination of the laws and regulations that could influence the media content. **Political environment:** evaluates the degree of political influence in the content of news media. **Economic environment:** structure of media ownership, its transparency and concentration. The cost of establishing media, production and distribution, among others.

Sectorial Score**

* In the 2006 map Serbia and Montenegro share the rating as they had the same sovereignty

** From 0 to 100, 0 being the best score possible and 100 the worst
